- Study material will be published each Sunday for the following week's classes. The material will be available in the foyer and posted on the congregation's website.
- Each class will focus on the lessons of faith we learn from the experiences of the figures referenced in Hebrews Chapter 11. The intent is not to study and discuss their complete histories, but to highlight those events that impacted their faith.
- For each person we study about in Hebrews Chapter 11, consider what lessons regarding faith you can apply in your life and share with others, and be prepared to discuss in class.
