- In Luke 17: 13, what did the men specifically ask Jesus to do? What does their request initially indicate about their faith?
- In Luke 17: 14, why did Jesus instruct the men to go and show themselves to the priests? Why is it significant that the men were healed of their affliction before they saw the priests?
- From Luke 17: 15, what do we learn about gratitude and thanksgiving from the fact that only one of the ten men returned to Jesus once he was healed? How can we relate to the one who returned, as well as the nine who did not?
- In Luke 17: 16, why was it significant that the one man who returned to express his gratitude was a Samaritan?
- Explain Jesus' statement in Luke 17: 19 indicating that the Samaritan man's faith had made him well.
