

# The Armor of God

## *Study Questions*

- **(October 1)** Consider how Paul describes our enemy in Ephesians 6: 10 – 13. What tactics does the devil use against us, and how can we employ the Armor of God to defend against his attacks?
- **(October 5 – 29)** For each component of Roman armor or weapons referenced in Ephesians Chapter 6, we will consider the following questions:
  - What is the historical significance of each piece of armor or weaponry? How were they used in the Roman army?
  - Considering the historical background of the armor or weapon, what spiritual applications can we derive from Paul's illustration?
  - What additional passages of scripture apply to the illustration or the spiritual application?
- **(November 2)** What overall lessons do we learn from our consideration of the Armor of God? How can we work together to assist each other in defending against the devil?
- **(November 5)** From 2 Timothy 2: 3 – 4, what does it mean to serve as a "soldier of Christ"? What attributes of soldiers can we employ to strengthen our faith and to help us serve God more effectively?
