

Knowing God: God's Patience and Forgiveness

Sunday, March 1, 2026

God's Patience:

- How would you describe God's patience? What does God's patience indicate about His character? (*Psalm 86: 15*)
- How does God's patience benefit us? How should we respond to this attribute? (*Romans 2: 4; James 5: 7 – 8*)
- How will a better understanding of God's patience help us to better serve God?

God's Forgiveness:

- How is God's forgiving nature related to His patience? (*2 Peter 3: 9*)
- How would you describe God's forgiving nature? What does God's forgiveness indicate about His character? (*Isaiah 43: 25; Luke 23: 34*)
- How does God's forgiveness benefit us? How should we respond to this attribute? (*1 John 1: 9*)
- Is God' forgiveness absolute, or is it conditional? How do we imitate this attribute? (*Matthew 6: 14 – 15; Matthew 18: 21 – 22*)
